

Our Affiliation

We have been meeting for worship since Easter 1994. We began as a few families from the area who were attending Colonial Woods Missionary Church in Port Huron and looking for a way to worship closer to home.

Through that interest, a congregation was established as a part of the church planting ministry of the Missionary Church, Michigan District. Crossroads Community Church was incorporated on May 30, 1995. We moved into our new building on March 10, 2002 and into our Children's Wing in April 2004.

CROSSROADS COMMUNITY LIFE CENTER

Crossroads has opened "Crossroad Community Life Center" - a place to help the city of Saint Clair navigate the challenges of life.

OUR GOALS

1. Be a place that serves as a clearinghouse for those in need of various community services. There are several agencies that exist to help people with financial, emotional, and spiritual needs. Sometimes we don't even know where to begin looking for help. Crossroads Community Life Center will help you get started.
2. Be a place to come for counseling. Our center will have both licensed professional and certified biblical counselors available, life coaches, as well as a helpful referral list.
3. Be a place where our young people can gather to connect with each other face-to-face as well as on social networking sites like Facebook.
4. Be a place that coordinates community-wide assistance events like food trucks, household maintenance assistance teams, and other groups seeking the well-being of our community.
5. Be a place where people who no longer consider the church as essential to their lives can be encouraged to process life from God's perspective.

We are located in the Saint Clair Riverview Plaza, right off the mall's main square next to the Saint Clair Chamber of Commerce. You can reach us at 810-329-5221 or ccclifecenter@att.net.

“But now in Christ Jesus you who were once far away have been brought near through the blood of Christ.”

Ephesians 2:13

Crossroads Community Church exists to make an impact on lives in the Bluewater area by helping people to go deeper with God, other Christians, and those outside the church.

Small Group Model

One of our guiding beliefs is that small groups provide a place for some of the greatest spiritual growth as people learn to live out their Christian faith together.

A small group is a group of 8-12 people that usually meet in member's homes. In the meeting participants can develop friendships, receive support for life's challenges, gain skills in Christian living, and develop a deeper understanding of the Bible. Most small group meetings last two hours, meet weekly and move from house to house.
